## SB40 4.0 Tonne Two Post Hoist

### Product Description

The Bradbury SB40 two post hoists are electric hydraulic operated and are suitable for lifting most cars and small vans. With a low pad height of just 95mm and screw adjustable lifting pads, this hoist is very versatile.

This hoist is available in single or three phase.

### Key Features

- 4,000 kg lifting capacity
- Hydraulic lifting application
- Clear floor frame design
- Two hand operation with manual release lock lever
- Single or Three phase
- Symmetrical multi-purpose lift
- 1 Year Warranty
